

## Midwifery and nursing training school

Dr. Okello Bosko Otuu, a specialist in Gynaecology-Obstetrics, has opened a Maternity and Health Centre in the city of Kitgum, where several hundred women give birth. Since 2020, with the support of the Associazione INFANZIA ONLUS Naples, he has built a building with 9 classrooms for a Midwives School with 60 pupils/year, in an area where Maternal Mortality is about 100 times higher than in Italy.
